

Topic: How To Build A 7-Figure Sales Team Without Spending One Dime

Che Brown is a globally renowned giant in the sales world. He has cracked the once elusive code of entrepreneurial success with a game-changing model that unlocks unlimited financial potential, power and wealth. In just six short years, he has dominated the sales space, coaching thousands of rising business leaders to achieve exponential growth and success in their industries, to the tune of over \$400 million and counting. His acclaimed 7-Figure Sales Team concept has forever erased the outdated notion that generating revenue in business is a sole-source game – instead illustrating it is indeed a team sport. Che lives, breathes and sleeps his craft. He has his fingers on the pulse of profit generation and an instinctual insight into why the heart of a flailing business has stopped. Most importantly, he can resuscitate the flow of revenue in any company with just a whiteboard and a conversation. Che Brown is the CEO of EasySalesHub (www.EasySalesHub.com) scaling businesses to six and seven figures. This all-in-one solution generates leads, qualifies prospects, books appointments, closes deals and frees entrepreneurs to focus on other business needs. Che was named one of the Top 15 entrepreneurs to keep an eye out for across North America in 2021 by USA Today News. Che is the Host of the #1 Business Development and Late Night Show In The Country: The Happy Entrepreneur Show (www.HappyEntrepreneurShow.com), and Founder of Comeback Champion (www.ComebackChampionSummit.com)
