

## **Bio Summary- Dr. Stacia K. Wilkins, Psy.D, LPC, M.Div**

Dr. Stacia K. Wilkins has obtained a Doctorate degree in Clinical Psychology, a Master of Divinity degree, and has worked as a professionally trained therapist and for over 14 years with a variety of populations in diverse settings, yet specializing in the psycho-spiritual care of men and women who have been survivors of abusive relationships. She is a passionate speaker who facilitates workshops and retreats in the tristate area pertaining to mental health and spiritual issues for leadership, women, and focus groups. She operates from a psycho-spiritual deliverance model that teaches others how to recognize and renounce generational curses, dismantle ungodly beliefs, heal from soul and spirit hurts, and demolish oppression by using practical methods in order to help others return to a state of wellness and liberty. Stacia is the Founder and Chief Visionary Officer (CVO) of Darar Enterprises, LLC, a state Licensed Professional Counselor, and an ordained Elder who's overall mission is to facilitate healing and care for the soul.
